

**BENDER'S OLD CORN WHISKEY**  
SAN FRANCISCO, CALIF.  
**BENDERSWHISKEY.COM**

### Handcrafted With a Weather Eye

Bender's is a complex yet accessible corn whiskey that's produced on San Francisco's Treasure Island. Sourced from a distillery not far from where one of our founders was born, each batch of Bender's is unique.

Our first batch of Old Corn has been aged for 8 years in charred oak barrels and is blended in small batches of 2000 bottles or less. Our take on a classic bourbon style whiskey, Old Corn boasts subtle notes of toasted wood and caramel and has a rich honeyed finish. Perfect in and old fashioned or with ginger beer, each bottle is crafted to warm the discriminating palate.
