Hold Fast!

Bender's Wheat is a complex yet accessible 100% wheat whiskey that's produced on San Francisco's Treasure Island. Sourced from a distillery in Canada not far from where one of our founders was born, this batch underwent additional aging on Treasure Island.

Our take on a classic Irish style whiskey, our wheat whiskey has subtle notes of vanilla and stone fruit with a rich honeyed finish. Coming in at a lower proof than is typical for Bender's, our wheat is an accessible whiskey that's perfect in a Boulevardier, sipped neat, or as a celebratory shot with friends and family.

Bender's "Wheat" is a youthful, full-bodied, and easy to drink whiskey crafted to warm the discriminating palate and lighten the soul.
